## step 4: select benchtop finish

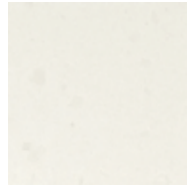

Cherry Pie® 20mm benchtops from ADP are manufactured using 100% acrylic resin solid surface material, which is a well proven premium benchtop material that resists heat, moisture & impact better than most stone surfaces, while capturing the lustre & richness of natural stone & quartz. They do not need to be sealed or treated, will not swell or rot & can be repaired & restored to their original condition. Cherry Pie® finishes have been developed to co-ordinate with the latest in materials & design trends.
