Silhouette Upgrade

Posh Silhouette minimalist jets have an ultra sleek profile, offering complete comfort for your back. The Posh Silhouette upgrade is available on all Canterbury spa baths and comes in the following two options.

Silhouette PAK Upgrade

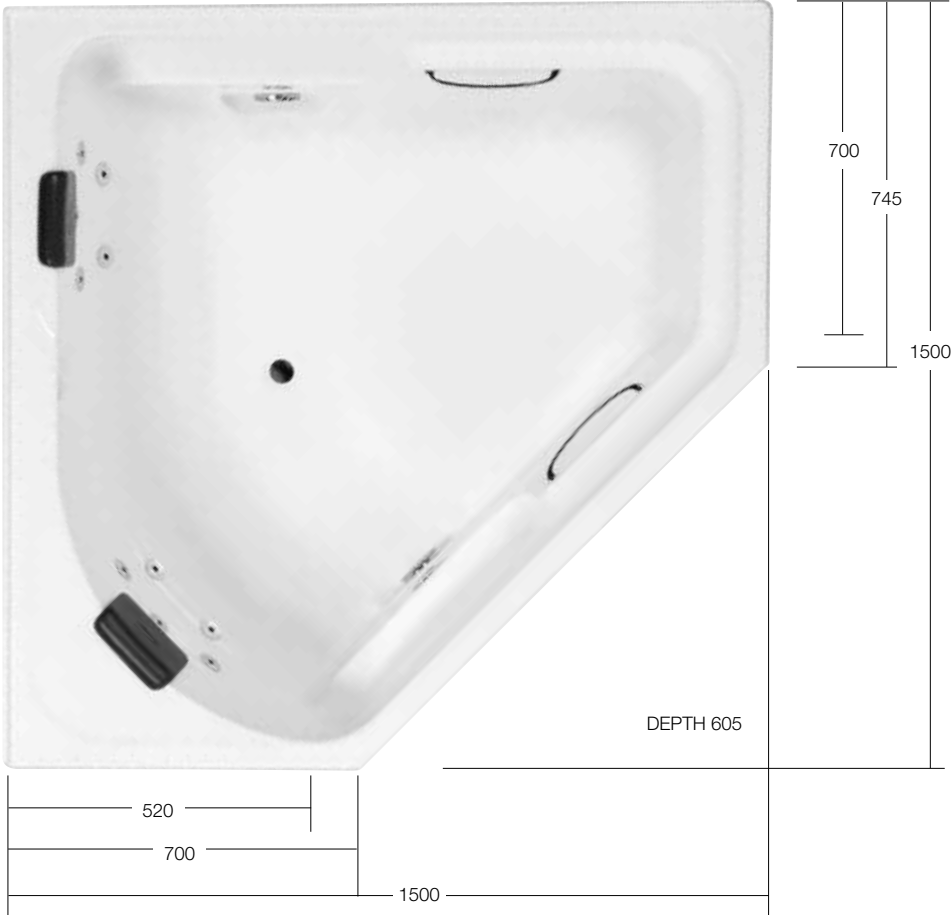

This option features a touchkey pump activated by a remote control. No buttons appear on the spa itself other than a diverter valve if needed.

Silhouette Jet Upgrade

This option is supplied with Posh Silhouette jets instead of normal jets. The spa features air controls and either an air button or touchpad.

People come in all different shapes and sizes. Luckily, so do our baths and spas. So whether it's dealing with bathtime mayhem or finding some quiet time just for you, there is a Posh spa or bath that's the right fit.
