

# Do you have Australia's best bathroom?

Reece, Australia's leading name in bathrooms, is delighted to announce that its popular Your bathroom. Your life.™ Competition is back for 2009. The competition is designed to discover Australia's best bathrooms and the stories behind them.

With the winner collecting \$15,000 in prize money, the competition is regarded as one of the country's most lucrative bathroom competitions. And with 2009 expected to be a year of renovation, there is no better time to show the nation your bathroom.

With the current economic climate it is expected that Australians are more likely to renovate their homes rather than buy in 2009. Australians will also continue to cocoon, with the bathroom at the heart of their home.

Says Reece Bathroom Marketing Manager, Belinda Geels, "in 2008 we saw just how passionate Australians are about their bathrooms. Whether it be a resort-style bathroom sanctuary, a luxurious ensuite, or a much-loved family bathroom, we want to find the very best bathrooms out there and uncover the stories behind these bathrooms."

The Your bathroom. Your life.™ Competition opened on Monday 9 February, 2009. Entries will close on Monday 1 June, 2009. Judges will be looking at overall look and layout, inspired design, product selection, use of space, clever ideas and an interesting description of why you love your bathroom.

So the question is, do you have Australia's best bathroom?

**Come on and show the nation your bathroom by entering at [www.reece.com.au/enter](http://www.reece.com.au/enter).**
