

Where is Australia's best bathroom located?

Reece, Australia's leading name in bathrooms, announces that the popular Your bathroom. Your life.™ Competition is on again in 2010.

With a prize pool worth \$15,000, the competition is regarded as one of the country's most lucrative bathroom competitions. The owner of the bathroom deemed the most inspiring will win \$5000 cash.

Says Belinda Geels, Reece Bathroom Marketing Manager, "2009 showed us that the bathroom has become the feature room in Australian homes, so we are expecting to see some amazing bathrooms entered in this year's competition. We want to find the very best bathrooms in Australia and uncover why their owners love them."

In an exciting move for the many Australians currently wishing to give their bathroom some TLC, Reece has introduced a new way to win a prize in this year's competition. From April 27, you can vote for your favourite bathroom for the chance to win one of two \$5000 Reece vouchers.

Says Belinda, "we are committed to giving all Australians access to beautiful bathroom products, so are excited to introduce this new component to the competition. We look forward to helping two Australians create their dream bathrooms."

Entries for the Your bathroom. Your life.™ Competition will close on Thursday 22 April. Judges will be looking at overall look and layout, inspired design, product selection, use of space, clever ideas and an interesting description of why your bathroom is special to you.
