

Where in Australia is the nation's best bathroom located?

Reece, Australia's leading name in bathrooms, is thrilled to announce the winner of its annual Your Bathroom. Your Life™ Competition, the national search for Australia's best bathroom.

After receiving a record number of entries in this year's competition, the winning bathroom was found in Shepparton, Victoria.

Described by its owner as a 'light-filled oasis', the winning bathroom beautifully brings the outdoors in, with large windows overlooking a bathroom courtyard. The curved bath and basin work harmoniously together, posing almost as bathroom sculptures, rather than functioning bathroomware. The sleek black vanity sits cleverly in front of a floor-to-ceiling mirror, giving the effect that the bathroom has been draped in greenery.

According to Belinda Geels, Reece Bathroom Marketing Manager, there were a number of themes that emerged from this year's entries. "We noticed that the mixing of materials was widespread, which suggests that Australians are now unafraid to experiment with tiles, floors and vanity finishes. We also saw that personality is being added to the bathroom, through accessories and the use of colour," said Belinda.

Wallpaper made an appearance in many of the entered bathrooms, primarily in the form of a statement feature wall. Lighting was also a key theme with many of the bathrooms basking in natural light. There was also a greater emphasis placed on artificial lighting, ensuring a light-filled oasis by day and a moodily-lit sanctuary by night.
