

Introducing the new bathroom centrepiece from Kado

Reece, Australia's leading name in bathrooms, unveils the Kado Lure Oval Freestanding Bath in black and white.

With bathrooms proving to be as much about aesthetics as they are about practicality in the modern day, the exquisite Kado Lure bath doubles as a bathroom sculpture with its sleek black outer layer and contrasting white interior.

With its flawless beauty the Kado Lure bath is an elegant choice, however its most impressive feature is truly its durability, with the use of sanitary grade acrylic and 7-year warranty.

According to Belinda Geels, Reece Bathroom Marketing Manager, the new bath reflects the latest in bathroom trends. "The Kado bath range has always been at the forefront of design and the black and white freestanding oval bath is no exception," said Belinda.

Kado has once again created a product worthy of being the centerpiece in the modern bathroom.
