Putting Safety First

Reece, Australia's leading name in bathrooms, presents the Mobi Grab rail range.

With Australia's ageing population, safety in the home is of utmost concern, so the Mobi Grab rail release is certainly very timely.

Whether used to improve mobility or to aid the transition between sitting and standing, the Mobi Grab rails are designed to offer the user reassurance in the bathroom.

Says Belinda Geels, Reece Bathroom Marketing Manager, "the Mobi rails are not just functional, they are also beautifully designed so are sure to suit bathrooms of all styles."

The Mobi grab rails are available in a wide variety of sizes, angles and finishes. To view the complete range visit www.reece.com.au.
