

# HASSLE

# FREE

As a plumber, you've probably made up hundreds of them. And every one is a hassle. Soldering and fiddling with your head jammed under a sink. There has to be an easier way. And there is. Introducing the Dura Fastfit Manifold. We've done all the assembly work so you don't have to. It comes with hot, cold and dishwasher outlets pre-cast. There's even a spare outlet for when you need to add another appliance. This unit will literally save you hours in installation time and put more dollars in your pocket. The Dura Fastfit Manifold. Another bright idea, exclusive to Reece.

For more information about the Dura Fastfit please call your local Reece manager or visit [www.reece.com.au/trade](http://www.reece.com.au/trade).
