## Mizu Universal Inwall Body

# Freedom to choose

## Stress free tapware

The Mizu Universal Inwall Body gives you the freedom to take your time selecting your tapware design and finishes. A separate inwall piece and handle trim kit means you can make your choice when you want, as many times as you want.

### Choose without delay

It can be hard to visualise how your tapware will look when your bathroom is still under construction. The Mizu Universal Inwall Body lets you take your time without delaying your project. Simply install, proceed with your build and choose the shape and colour of your tapware at a later date.

### Evolves with your tastes

Changing your mind has never been so simple. Whether it's halfway through your build or five years down the track, your Drift and Silk tapware can be effortlessly swapped out thanks to the removable trim kit.

### Mizu Universal Inwall Body

Available on all Mizu Drift and Silk Wall Mounted Tapware.
