Drift Filter Tap

1909980
Available with complete
water filter kit

With a unique advanced and hidden filter system, the Mizu Drift Filter Tap uses a dual cartridge to deliver only the cleanest, most pure water for consumption.

Twist Filter Cartridge

A simple twist top mechanism enables hygienic removal of the contaminated filter. The easy to remove filter housing requires only a twist to retract and dispose, and is just as easy to replace with a new one – no gloves required.

Superior Filter

The advanced filtration system removes sediment and rust, and decreases chemicals and odours so that you can enjoy clean and pure water every time.
