Setup automated sync to import product catalogue and invoices

How to link Reece maX and simPRO

› Step 1

When logged in to simPRO, go to Utilities, then import.

› Step 2

For Catalogue Sync, select 'Catalogue'. For Invoice Sync, select 'Supplier Invoices'.

› Step 3

Select 'Reece'.
You should now see the 'Automated Import' option.

› Step 4

Click 'Go to Login Page'.
You'll be redirected to the Reece maX login page.

› Step 5

Enter your maX email address and password and click 'Login'.

› Step 6

Select your maX Trading Account and click 'Connect'.

› Step 7

Adjust settings (select supplier, choose options), and click 'Activate Automated Imports'.

› Step 8

That's it! Automated syncing is now activated.
