Domaine All-Drawer Twin Vanity

The possibilities are endless with the Domaine All Drawer Twin Vanity, choose your size, cabinet finish and benchtop to create your dream result.

Domaine

Designed for purpose with plenty of innovative elements, Domaine will enhance the way you live in the bathroom. The range celebrates the best of today's design while making customisation accessible to everyone. Now you can effortlessly personalise your space to achieve your individual look.

Sacha

Sam

Frank

“We wanted a really modern look and we didn’t want to compromise on that. Plus we wanted a few little luxuries as well. This bathroom fits the way we live and feels like it was made for us. We’re really proud of what we’ve been able to create.”

Sacha — 30 years

Bristol MK2 Mirror Cabinet

Great for smaller bathrooms, the MK2 Mirror Cabinet adds plenty of storage for all your frequently used items.

Bristol

Bristol allows you to create a no fuss bathroom that's ready to be lived in every day. It will handle everything that gets thrown at it. With Bristol, it's about comfort and quality. You can enjoy it knowing it will continue to look good and last for a long time.

Zoe

Olivia

Silvana

“I recently downsized from a large family home to a smaller townhouse. With my grand daughter staying over often, I wanted to give the bathroom a refresh and so it felt warm and welcoming. Bristol was an easy choice. It's affordable and I know I'm getting quality.”

Silvana — 68 years

Canterbury

Canterbury combines the best of the old with the new. These classically designed bathroom pieces make it easy to achieve a heritage bathroom look while still offering all the quality and efficiency of modern bathroom products. Build on the history of your home with Canterbury.

“This is our first renovation project together. It’s a gorgeous little single fronted terrace with a lots of original heritage elements. We wanted to create a bathroom in keeping with the classic influences. It will eventually be a rental property, so we went with products that will be reliable for years.”
