

COMMUNICATIONS & ELECTRICAL PRODUCTS

reece™

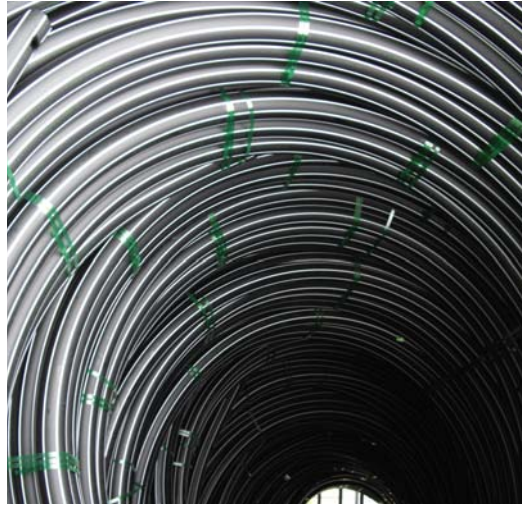

civil

Reece Civil is dedicated to supplying the best range of products for the National Broadband Network.

The National Broadband Network has been commissioned to provide Australians with the highest quality internet service in the world. At Reece, we aim to provide the highest quality distribution service in the world. Don't deal with the hassle of ordering product in bulk when we can deliver what you need, when you need, where you need it.

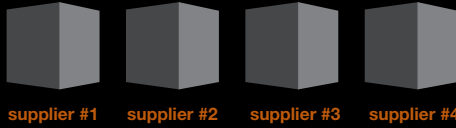

Our complete range includes:

- > conduits
- > bends
- > couplings
- > sleeves
- > adaptors
- > plugs & caps
- > pit bushes
- > pit bodies
- > pit covers
- > cable covers
- > pit accessories
- > cable bearers
- > signs

THE REECE CIVIL DISTRIBUTION MANAGEMENT SYSTEM

Access multiple brands from one supplier with no need to compromise.

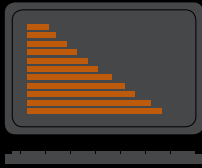

Reece Civil

We'll only invoice you once stock has been dispatched, dramatically improving cash flow.

CREATING EFFICIENCY, OPPORTUNITY AND VALUE.

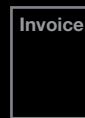

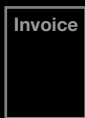

Easily track all project spending and product pricing online.

We provide Rapid Delivery of stock no matter how small the order.

Project ends

Our flexible return policy allows you to return unused products.

TELSTRA CONDUIT*

Code	Product	Size	Length
1402287	TELSTRA CONDUIT (73/91)	20MM	4.5M
